Important considerations

Whether your child is in high school or getting ready for kindergarten, here are some important things to consider:

Changing schools

- Be sure to check both the old and the new school to ensure a smooth transition for your child during your big move. This is especially important when moving from a different school board.

Starting kindergarten

- Each spring, information sessions are held to help you register your child for kindergarten. Each elementary school will post announcements on their websites.

Extended day programs

- Most schools offer comprehensive programs for children of working parents. Consult their websites for complete information, scheduling, and pricing.

Start planning now

Getting a head start on facilitating your child's continued educational success can help relieve a lot of stress so you can enjoy this exciting time of transition. Be sure to check which school board is best for your child by finding detailed information on their websites.
