

1. Ozark. Darlene Snell: need I say more? Season 3 premieres today!
  2. Godfather I and II. Leave the gun, take the cannoli...
  3. The Walking Dead. Makes COVID look good.
  4. Star Wars, Episode IV. 1977 classic. Brings back the best days of my childhood
  5. Shawshank Redemption. The accountant wins in the end. What's not to like?
  6. Anything by Adam Sandler. Happy Gilmore, Billy Madison, but also check out Uncut Gems, just released. Pretty dark
  7. Fantastic Mr. Fox – I am weirdly fascinated by this one – totally unusual. First watched it with my kids, but there is a lot here for adults
  8. The Sopranos – a lot of time has passed since the last episode aired in 2007, definitely worth re-watching
  9. Fargo – weird and dark. Marge Gunderson rocks, though the wood chipper scene still haunts me.
  10. Bond movies – stick to those starring Sean Connery and Daniel Craig.
- Enjoy. Stay safe. Have a cold bevvie and take your mind off things for a bit.
