# Important Considerations

Whether your child is in high school or getting ready for kindergarten, here are some important things to consider:

### Changing schools

• Be sure to check both the old and the new school to ensure a smooth transition for your child during your big move. This is especially important when moving from a different school board.

### Starting kindergarten

• Each spring, information sessions are held to help you register your child for kindergarten. Each elementary school will post announcements on their websites.

### Extended day programs

• Most schools offer comprehensive programs for children of working parents. Consult their websites for complete information, scheduling, and pricing.
