Important considerations

Whether your child(ren) is in high school or getting ready for kindergarten, here are some important things to consider:

Changing schools

Be sure to check in with both the old and the new school to ensure a smooth transition during your big move. This is especially important when changing school boards.

Starting kindergarten

Each spring, information sessions are held to help you register your child(ren) for kindergarten. Each elementary school will post announcements on their websites.

Extended day programs

Most schools offer comprehensive programs for children of working parents. Consult their websites for complete information, scheduling, and pricing.

Start planning now

For less stress and more success, get a head start on transitioning your children to their new school. Explore the school boards' websites for everything you need to know.
